**Sustaining Membership**

Sustaining membership is a special category that SIA National manages. Applications for Sustaining Membership must be made directly to SIA National.

- i. A Sustaining Member may nominate up to twelve representatives. SIA membership is deemed to be vested in the representatives. The Sustaining Member is the sponsor of their representatives.
- ii. The representatives may be attached to one or more State SIAs. They will be deemed to be Individual Members of their host SIA provided they complete a membership application form provided by their host SIA and undertake to be bound by the Rules of the host SIA. The representatives will not be recognised until the application form is completed and the undertaking is provided.
- iii. Sustaining Members are not required to pay Membership or joining fees to State SIAs.
- iv. All employees of a Sustaining Member corporation are entitled to SIA membership discounts for local and interstate seminars, conferences and workshops organised by the Stormwater Industry.
- v. Employee redeployment or departure is accommodated. The corporation may revise its nominated representatives during the subscription year, provided the changes are advised in writing. All new representatives give the undertaking to abide by the Rules of the State SIA.
- vi. Sustaining Members will be acknowledged by SIA National in regular publications and enjoy other privileges.
- vii. New Sustaining Members are requested to provide a list of representatives and are required to advise SIA National of changes in their representation. SIA National will pass on these changes and the associated contact details to the relevant State SIAs.
- viii. A significant portion of the fees collected from Sustaining Members is remitted to the State SIAs to enable them to support the representatives.

**Membership Renewal**

SIA National sends renewal invoices to Sustaining Members. The State SIAs manage all other renewals. Sustaining Members are requested to return a completed representative list at renewal time. SIA National provides extracts from the Sustaining member representative list to the relevant State SIAs.
